

## Marcie Vesel Bronkar

Marcie Vesel Bronkar was born and raised in New York City. She has lived on both the West and East Coast throughout her life. Her training and passion in the decorative arts lead to a long career in the home furnishing industry as a Design Director, Colorist and Founder of her fabric company HOME COUTURE. Bronkar's textiles are in the permanent collection of The Cooper Hewitt in NYC and Textile Museum in DC. Finding that painting and drawing was her voice early as a child she succeeded in a career that allowed her to retain creative control in all aesthetic choices. "It was always about the painting; the process of getting there."
