

BEHIND THE PALE

New work by Renée Khatami

January 31 – February 25, 2023

Opening: Saturday, February 4, 3-6 PM

Prince Street Gallery is pleased to present *Behind The Pale*, a solo show featuring Renée Khatami's new work in combined media. Khatami's artwork utilizes textured layered shapes that evolve through subtle layers of paint, cut line, pencil, and other materials emanating a complex tranquility. The pieces, from the last two years, are composed of paper, wood, canvas, and formed assemblages that evoke a quiet, uniquely rendered palette.

"Perhaps Khatami suggests we look inward. We can be inspired from her cathedrals of color, line, shapes." Christine Graf*
